Welcome to Expert Industrial Services

Welcome to Expert Industrial Services, your one-stop solution for all industrial needs. Led by experienced Civil Engineer Mohin Rana, we deliver end-to-end services including construction, electrical, plumbing, fabrication, painting, interiors and manpower supply. Our goal is to provide reliable, compliant and high-quality solutions for every industrial project with timely execution and expert supervision.

Our Team Combines Strong Technical Expertise With Hands-on Experience To Deliver Durable, Cost-effective, And Timely Structures. From Large Industrial Facilities To Specialized Construction Works, We Are Committed To Providing Reliable Solutions, Efficient Execution, And Long-term Value For Every Client.

OUR SERVICES

Industrial Construction

At Expert Industrial Services, We Handle All Types Of Industrial Construction, Including Factory Sheds, Internal Roads, Office Buildings, And Small Turnkey Projects. As Registered Civil Engineers And Contractors With The Vadodara Urban Development Authority (VUDA) And The Vadodara Municipal Corporation (VMC), We Ensure Every Project Meets The Highest Standards Of Quality, Safety, And Compliance.

Electric Work

We Provide End-to-end Industrial Electrical Solutions, Including Panel Wiring, Cable Laying, Earth Pit Testing, And Machinery Power Connections. Backed By Government-approved Electrical Contractors And Licensed Supervisors, Our Services Strictly Follow Safety And Regulatory Standards.

Plumbing Work

We offer complete industrial and commercial plumbing solutions covering PVC, CPVC, and HDPE pipelines. Our services include

- Washroom Installation And Repairs.
- Drainage Line Installation, Cleaning, And Maintenance.
- Water Supply And Storage Tank Connections.
- Industrial Pipeline Networks For Process Water And Utilities.
- Pump And Valve Installations.
- Rainwater Harvesting And Wastewater Management Systems.

With A Focus On Leak-free, Durable, And Hygienic Solutions, Our Team Ensures Reliable Water Flow, Safe Drainage, And Efficient Plumbing Systems That Keep Your Facility Operating Smoothly.

Garden Maintenance

We provide complete garden and landscape maintenance services to keep industrial and commercial spaces green, clean, and welcoming. Our team manages everything from lawn care and plant upkeep to seasonal trimming and soil nourishment, ensuring a healthy and sustainable outdoor environment.

Fabrication Work

Our team of skilled and licensed welders and fitters specializes in industrial Fabrication, piping systems, and shed Fabrication. We handle structural steel works, heavy-duty supports, equipment foundations, and Customized fabrication needs. Using high-quality Materials and precise techniques, we deliver strong, durable, and long-lasting structures.

Painting & Interior Work

We Provide a Comprehensive range of Painting and Finishing Services for Industrial and Commercial projects.

Our expertise includes:

- Oil and wall painting.
- Epoxy floor coatings.
- FRP coatings for chemical resistance.
- Safety line markings and signage painting.
- Machinery and Pipeline Protective Coatings.
- Gypsum ceilings and modular partitions.
- Office Furniture and Interior fit-out Works.

Our solutions are designed to enhance aesthetics while ensuring durable, protective finishes that withstand demanding industrial environments.

Labour Supply

We Provide Skilled And Unskilled Manpower Tailored To Diverse Industrial Needs. Our Workforce Supports:

- Loading and Unloading Operations.
- Garden and Facility Maintenance.
- Production and Process Assistance.
- General Site and Utility Work.
- Welding, Fitting, And Fabrication Jobs.

All Labour Supply is fully compliant with PF, ESIC, and GST requirements, ensuring a reliable, safe, and hassle-free workforce solution for your industry.

Industrial Water Supply & Waste Management

We deliver reliable industrial water supply solutions along with efficient waste management systems. Our services focus on safe distribution, treatment, and disposal processes that meet regulatory standards, helping industries maintain productivity while reducing environmental impact.
